FIVE RACES AT SARATOGA. BOUR OF THE FAVORITES SUCCESSFUL-CAPTAIN FONNER'S BAD STARTS IN SHORT RACES-LADY

L D'ARCY, DANICHEF, PAROLE, NANNIE H. AND

DEADHEAD THE WINNERS. [FROM A SPECIAL CORRESPONDENT OF THE TRIBUNE.] SARATOGA, N. Y., Aug. 24 .- The attendance was very large t the races to-day. Saturdays generally bring out good numbers, and on this occasion favorable weather, a steeplechase—always a popular form of sport—and the fact that it was the last regular day of the racing, filled the grand stand, attracted hundreds of people to the field stand, caused heavy betting and made the grounds full of movement and tion. The start gave the first race to the favorite, Lady D'Arcy. Danichef made good time and secured a creditable victory in the run of a mile and three-quarters for three-year-olds. Hattie F. tried to compete with Parcle in the mile and a quarter race, but the effort was a failure. The favorite, Kannie H., obtained her fourth tramph at Saratoga this year in the selling race, and showed herself a mare of considerable merit. The only upset of the day-was in the steeplechase; Waller had a long lead in the betting, but was overcome by Deadhand -the lowest of the three starters in the pools-after a gailant contest. Waller carried twenty pounds more

Captain Conner's starts in short races at Saratoga this year have been very discreditable to him. He generally sends the horses off even enough for a long run, but he very rarely starts them fairly for a short dash. In the first race to-day he gave Lady D'Arcy and Alleveur such an advantage that the others were never in the contest Smith's mare Lady D'Arcy (4 years, 106 pounds) was the favorite at \$475; Doswell's mare Majestic (4 years, 105 pounds) brought \$125; Ayres's colt Alleveur (3 years, 101 pounds) \$100; Stanford's filly Fusilade, (3 years, 96 pounds), \$55, and Thompson's golding Loiterer (4 years, 108 pounds) \$20. Lady D'Arey and Alleveur had the race to themselves on account of the shameful start. They got away so far in advance of the rest that they werenever reached. LadyD'Arcy, with Barrett on ber back, went to the front in the "chute," but Alleveur passed her and entered the main track in advance. He ed up to the last furions, when Lady D'Arey went by aim. Under the whip he ran faster, and again was in front, but Lady D'Arcy made a declaive rush in the final hundred yards, and won by three-quarters of a length in 1:16%. Alleveur being second. Lefterer and Majestic moved swiftly in the last quarter, and if they a close finish with Lady D'Arcy and Alleveur. Loiterer came in third and Majestic fourth. The distance was three-quarters of a mile, and the purse was \$300, \$50 going to the second horse. Mutual pool tickets on Lady Daniehef, Pilot and Bertha ran a fine race of a mile

and three-quarters in a free handicap for three-year elds, for a purse of \$500. The fourth starter, Helms man, ran with the rest for a mile and a quar then he retired into obscurity. Puryear & Co.'s Danichef (108 pounds) brought \$200 in the pools; D McCarty's Heimsman (98 pounds) \$75; Erewster & Co.'s Pilot (104 pounds) \$45, and P. Lorillard's filly Bertha (96 pounds) \$40. Danichef went over the whole distance like a stanch race-horse in the excellent time of 3:0812. He took the lead immediately after the start-which was a satisfactory one—and none of his three rivals ever got to his head. Helmsman was second for three-quarters of a mile, and a close third during the next half mile. while Barrett on Bertha kept his filly in the rear. Dan ichef's lead was three lengths at the end of the first quarter, two at the end of the second, one when he passed the judge's stand the first time, and one at the end. Pilot and Bertha clung to him closely in the home stretch, and the run in the last furlong was brilliant. Whips were used freely. Daniebef was able to carry the highest weight, and did carry it well. Pilot was second at the end; Bortha third, a length behind, and Helmsman crawled in half a furlong behind the rest, having quit work completely when half a mile from the goal. Mutual pool tickets on Donichet paid \$9.

marter for a purse of \$350, \$50 going to the second horse. It was really little more than a practice gallop for the renowned Parole, his only competitor being Hattie F., and she being ludicrously overmatched No auction pools were sold, as no one wished to bet in them on Hattie F. P. Lorillard's gelding Parole (5 years) carried 111 pounds, and Bevins's mare Hattle F. (5 years) 109 pounds. Parole led all the way. In the home-stretch Bisylock, on the mare, tried to get the better of Barrett on Parole by a sudden rush, but Parole easily outran Hattie F., and won by a length and a half, in 2:14. Mutual pool tickets on Parole paid \$5 40 each for \$5.

J. H. Smith's mare Nannie H. (4 years, 98 pounds) the winner of three races here this year, was the favorite in most of the pools on the third race, but in one sold shortly before the start, she brought no more than J. & W. McMahon's mare Blondell (4 years, 91 pounds), each being rated at \$150. Grabam's horse W.

the winner of three races here this year, was use favoritie in most of the pools on the third race, but in one sold shortly before the start, she brought no more than J. & W. McMahon's mare Blondell (4 years, 91 pounds), each being rated at \$150. Graham's horse W. I. Higgins (4 years, 92 pounds) brought \$85. Hart's horse Henry Owens (5 years, 97 pounds) \$55. and Campbell's coit Fury (3 years, 78 pounds) \$20. The race was one mile with selling allowances, and horses heaten and not having wen a race at Saratoga this year, allowed 7 pounds additional. The start was bad, W. I. Higgins having a yeary marked advantage, and Fury being lar in the rear. Barrett rode Higgins, and sent Blondels of per, van polling his quarter. As a set of the strength, but she persisted in running vary close to Higgins. Namnle H. moved along easily three lengths behind the pair, Henry Owens and Fury forming the rear-guard. Namnle H. moved along easily three lengths behind the pair, Henry Owens and Fury forming the rear-guard. Namnle H. was much swifter than her rivals in the home-stretch, and all Barrett's skill could not prevent her from going by Higgins with-little effort, and winning by a length and a quarter in 1.455; Higgins second, and Houry Owens third, three lengths behind him. Blondell ran very badly in the last furlous, having been fretted and worn out by the pail kept on her in the early part of the race. She came in fourth, and Fury last. Mutual pool tickets on Namnle H. paid \$12.20. The winner was put up at aucting, in accordance with the terms of the race, and was offight by H. O. Rernard tor \$640, \$140 more than the price at which she was ontered to be sold.

CONTESTS ON THE WATER.

THE HONMOUTH BEACH YACHT CLUB AND A SCRUB REGATTA-ENTRIES FOR THE REGATTA OF THE

The Monmouth Beach Yacht Club gave an open-host regatts on the South Shrewsbury River on Saturday, the prominent features of which were the large number of entries and the general dissatisfaction among yacht-owners in the awarding of the prizes. The Jachts were divided into four classes, with two prizes for each class, and the course was twenty miles for the first three classes, and ten miles for the fourth class. After the race, the measurement of the boats and the length of time consumed by the judges in rendering their decision created much dissatisfaction, which was increased after the decisions were announced. The first Brizes were awarded to the Berrie, Mamie, Ideal and Charles West, and the second prizes to the Vixen, Said. Leonora and Amy. As the owners of the yachts Vixen and Leonora could not convince the judges that their boats had won the first prizes, they declined to accept the second prizes. The owner of the Vixen then chalenged the owner of the Bertie to a race for \$1,000, to

be sailed under yacht club rules. The cat-rigged boats Lizzle V. N., Saille, Ariel, Blue

2912 minutes on time allowance. The Crescent Boat Club had its second annual meeting at Pleasant Valley on Saturday afternoon, and engaged in several rowling contests, over a course two miles in length. A six-oared gig race between the Cilo and Neille Thomas Powell, James Walters and Charles Latham rowed in the senior single-sculls, which was won by the first-named, by a length and a baif, in 13 minutes, 54 seconds. The four-oared gig race was rowed by the Johnson and Cook crews, and while the former took the water first and led for the first mile, the latter took the lead before the finish, and won in 13 minutes, 22 seconds. Reid, of Jersey City, rowed against William J. Winter, of Brooklyn, and Charles J. The curries for the second annual regatta of the Metropolitan Oarsmen's Association are said to include some of the best amateur onramen of the country, and the committee expects that the regatta, which will take place on Wednesday, on the Pleasant Valley course, will be one of the best which has ever been rowed there. MARKSMANSHIP AT CREEDMOOR. SATURDAY'S CONTESTS-MATCHES AT THE FALL MEETING.

W. H. Jackson, of the American Rifle Team, scored 209 points in a possible 225 at Creedmoor, on Saturday, in the contest for the Sharp's prize of \$250 in gold. This was the twelfth competition for this prize, and there were fourteen entries. The conditions of the match require that the winner must make the highest score at each of the ranges, and while Mr. Jackson made the highest scores at the 900 and 1,000 yards distance, his score at 800 yards was ninth in the list.

The eleventh competition for The Turf, Field and Farm chailenge badge was shot at the 200 yards distance, F. H. Holton winning it for the second time on a score of 44 in a possible 50. To become the property of the winner it must be won by him three times.

The programme for the sixth annual Fall prize meeting at Creedmoor, which begins on Tuesday, September 17, was issued on Saturday by the National Rifle Association. It comprises twenty-seven matches, including eight subscription matches; the three prizes in each of the latter consisting of one-half the entrance money. In the other minetess matches there are 116 prizes, argregating \$7.075 in value. The International Military Match is open to teams of twelve from each division of the Army, the Navy, the Navy, the National Guard of the several states and Territories; from England, Ireland, Scotland, and each of the provinces of Great Britam and Canada, and all other countries; the distances to be shot being 200, 500 and 600 yards, and to use the arm adopted officially by the State or Government. The prizes will be a trophy, valued at \$1,000, presented by ex-Indge Hilton; a badge to be presented to each member of the winning team, and such prizes amony be subsequently announced. Tac Inter-State military Match prizes amount to \$450, and the first prize has been won by New-York, Connecticut and California, it now being held by California. The Wimbledon Cup, valued at \$500, has been won, in 1875, by Major Fuiton; 1876, L. L. Allen, and in 1877 by Dudley Selph, of New-Orleans. ation. It comprises twenty-seven matches, including

THE COURTS.

THE TEUTONIA'S DIRECTORS. CRIMINAL PROCEEDINGS BEGUN AGAINST THEM-FIVE OF THEM ARRESTED.

Civil process of arrest was granted in July against the trustees of the Teutonia Savings Bank, on the charge that in one way or another they had withdrawn unjustly the bank's fonds from its depositors. The civil process was based on the affidavit of Michael Hahn, the secretary, published at that time in THE TRIBUNE, in which he acknowledged that he, as agent of himself and the other directors, had charged commissions on the purchases of bonds, which commissions were divided among the directors; and to cover up this abstraction of funds the bonds had been charged on the books of the bank at more than the price actually paid for them. Part of these frandulent transactions were self previous to this disclosure, but not fatally, although still in a critical condition. John Scheuermann, the president, has been sick for several weeks. All except Otto have given \$10,000 bail in the civil suit.

Meanwhile some of the depositors have, been dissatisfled with the mere effort to recover back the money embezzled, and justed that the directors should be ounished criminally. Last week a criminal complaint was made before Justice Otterbourg against John Scheuerman, president, Frederick Seagrist, Jacob Berman, Michael Bneinhardt, John Sehnugg, Joseph Weiger, John Theiss, Charles Merz, John Otto, Nicholas Seagrist and John Homberg. The complaint was made by Henry Dauschs, president of the depositors' committee, but the chief evidence was the affidavft of Michael Habn, in substance the same as that used in the civil suits. Jus-tice Otterbourg issued warrants for the arrest of all the trustees, and on Saturday Messrs. Schnugg, Theiss, Homberg, Merz and Weiger were brought before Justice berg, Merz and Weiger were brought before Justice Otterbourg, at the Essex Market Police Court, and in answer to the charge waived examination, and asked for a postponement in order to be represented by counsel. The case was set down for Wednesday at 10 a.m., the accused persons being admitted to bail in \$1,000 each. The friends of the prisoners, who were in court, promptly supplied the bail, and two sureties for each quainfied in the necessary amount. The other warrants, except those against Scheuermann and Otto, whose condition precludes their appearance in court, will be executed as soon as possible.

The amounts that the trustees have on deposit with the bank or the amounts they have overdrawn are said

to be as follows:	
John Schenermann	\$15
Jacob Berman, second vice-president (overdrawn)	105
Jacob Berman, second vice-president	120
Jacob Berman, secretary (overdrawn)	217
Michael Rheinhardt	24
V. No. Whomeleaner NO.	BCCOT
Toba Schnigg	21
Togeth Weiger	183
John Schnugg	.819

At the time of the closing of the bank Wencke's account was overdrawn about \$4,000. Hahn, it is said, sithough not to bensed as State's evidence, will probably have his punishment lightened. He is under indictment for perjury, and liable to indictment for forgery. A second inquiry is likely to arise out of this, viz. how Hahn was able to buy Yonkers bonds at 94, when the law required that they be issued at par.

SELLING A BROTHER'S PROPERTY.

Henry Cunningbam, the late president of the Liquor Dealers' Association, and known also as an acter, was a partner in a restaurant business done by a firm known as Cunningham & Lyons. His brother William was also a partner in the firm, and on his brother's death became his administrator, and sold out his brother's share to Lyons for about \$600, and his own brother's share to Lyons for about \$600, and his own share for about \$3,000. Mrs. Rose Mulvey, the sister of the two brothers, was entitled to a share in Henry Cunningham's property, and brought a suit in the Court of Common Pleas against Lyons to set aside this sale. Judge Van Hoesen, in denying a motion for an injunction, intimates his belief that William Cunningham, having swindled his sisten, is now trying to use her as a tool to swindle Lyons. Her proper course would be to call her brother to account before the Surrogate, to find out how, of the \$3,559 paid for his own and his brother's share, he took \$3,000 for himself and \$559 for his brother's estate.

brother's estate. TWO RECENT ROBBERIES.

The case of Francis McCoy, suspected of being one of the gang who perpetrated the Stone rob-bery, was adjourned by Judge Murray to next Saturday at the request of his own counsel, who claim that they will then be able to prove that McCoy had nothing to do with it.

The case of Lucien Parker, or "Big Jim" Watson, and "Billy Hart," suspected of the same crime, but charged with stealing a jewel box from the residence of William Palmer, was taken up, and Judge Murray decided that the testimony of the ex-convict, Charles Serrene, was so fully sustained by circumstances that he was justified in holding the prisoners in \$1,000 bail each.

PROSECUTING A COMPLAINANT.

Henry Weed, some time ago, preferred charges against one Dr. Newton Whitehead, of No. 215 East Forty-fifth-st., of malpractice. The case fell through Jacket, Zeplayt, Vixen and Ocean Spray had a race on and two efforts were made to have Mr. Weed arrested, saturday afternoon through the Upper Bay and the Nar-both of which failed, Justices Duffy and Kilbreth refus-Rows, for a sliver cup presented by Thomas Langdon, of ling to grant warrants against him. On Saturday a new Pilest.

complaint against Mr. Weed was preferred by Agnes Holbrook, the servant of Dr. Waitehead, that Mr. Weed had followed her and, pretending to be an officer, ompelled her to return to Dr. Whitehead's house. Mr. Weed admitted that he was somewhat energetic in trying to obtain evidence in the case, but denied that he pretended to be an officer. Justice Kasmire, before whom the case came, admitted Mr. Weed to ball in \$500.

THE STOLEN CANADIAN BANK-NOTES. Jacob D. Otis, the broker, of No. 47 Exchange-place, who was arrested Friday, charged with participation in the robbery of \$12,400 in Canada bank-notes, was taken before Justice Murray on Saturday, who committed him to the charge of the detective until to-day, when the Canadian authorities are expected to arrive here. A search warrant against a third person was refused until they should arrive.

CIVIL NOTES. William Myers, clerk in a Broadway dryroods store, was arrested on Saturday and held in \$1,000 ball in an action for breach of promise, brought by Miss Elizabeth Brandt, a dancer in a traveling troupe. She mays the damages at \$5,000.

Joseph Aoad Arbeely, his wife, Marianna J. Aoab Arbeely, and their five children, all Syrians, went to the Supreme Court Clerk's office on Saturday and de-clared their intention to become citizens of the United States. They speak English quite fluently.

Mary Morris, alias "Black Lena," a notorious shop-lifter, sentenced December 21, 1876, to four years and six months in the Kings County Penitentiary, was released last Monday, in \$4,500 bail, for allary, was receased lost Monday, in \$4,000 ball, for all leged irregularities in her trial. She and Catharine Martin were arrested for stealing a camel's hair shawl, and were sent to Raymond Street Jail. They escaped, and eighteen months later they were arrested in Bostout tried in Brooklyn, and sentenced. The conviction will be reviewed on the second Monday in September, in the Supreme Court, in Brooklyn.

The escape of the accounters of Mar. Fligsboth.

The case of the executors of Mrs. Elizabeth Hughes against her husband, Henry Hughes, was decided by Judge Van Hoesen on Saturday. Mrs. Hughes, in her lifetime deposited part of her money in trust for her husband with the Greenwich Savings Bank. When she came to make her will, she handed that bank book with another to her executors. The executors thought that this amounted to a vacation of the trust, and the money should therefore pass under the will. Judge Van Roesen holds that it did not. Hughes, it seems, assigned for a small sum his right in the fund, not knowing its amount, to one clifford. Judge Van Roesen holds that any deception practiced on Hughes is good ground to set aside the assignment, but will not defeat his right to the fund deposited for his benefit.

SUDDEN LOSS OF SPEECH AND HEARING.

William Gregory, eighteen years old, living at No. 2 Dover-st., was standing at Water-st. and Peckslip, Thursday afternoon, with some companions, when a deaf and dumb man passed by. Gregory began to make fun of the afflicted man, when suddenly he felt a shock and afterward discovered that he had lost shock and afterward discovered that he had loss the senses of speech and hearing. He hurried home and informed his parents of these circumstances in writing. They took their son to the Chambers Street Hospital, where the surgeon in charge examined him, but could make nothing of the case. He endeavored to frighten him by means of a shock, but failed most signally. Young Gregory when at the hospital wrote on a piece of paper that his affliction was due to the "will of God." His parents yesferday had him at church, when prayer was offered on his behalf. The house surgeon at the hospital says that it is one of the most singular cases that ever came under his observation.
